

Recruitment and Retention Strategies for Schools

Senior Leaders | Governors | Trustees

- An assessment and overview of the DfE's 'Teacher Recruitment and Retention Strategy'.
- What are the current issues that schools face in relation to the recruitment and retention of staff
- Identifying those specific barriers to recruiting and retaining staff in schools
- What strategies can be implemented within schools to improve the recruitment and retention of all school staff
- Assessment of case studies where these strategies have been implemented and their subsequent impact.

• 5th July • Bradford City Centre
• 9.30am • 2.5-hour session
